Nature of Engagement	Temporary, on contractual basis
Duration	12 months (extendable, based on performance)
Professional fees	Rs. 15,000/- per month (consolidated)

**BACKGROUND**

To achieve the goals of coastal and marine biodiversity conservation in Maharashtra, a dedicated institution, the Mangrove and Marine Biodiversity Conservation Foundation of Maharashtra (or Mangrove Foundation) has been established by the Government of Maharashtra to focus on research and education, livelihood development, ecosystem conservation, policy development and interventions enabling participatory conservation of this unique ecosystem.

The foundation has the following specific objectives:

1. To protect, preserve, conserve, regenerate, restore, enrich and maintain the biodiversity of coastal, island, wetland and marine, having direct or indirect impact on human life.
2. To promote livelihoods, culture, socio-economic development such as ecotourism and rights of communities dependent on these ecosystems.
3. To build research and academic capacity in the field of coastal, island, wetland and marine ecosystems that will inform policy-making, act as a repository of information and build the foundation for capacity building and welfare programs.
4. To contribute to the overall goal of coastal, island, wetland and marine conservation and be recognized as an institute of repute in the above said themes.

**JOB DESCRIPTION**

The Project Assistant – Fisheries shall be focused on coordinating livelihood development activities, at the village level, that support the conservation of mangrove, coastal and marine biodiversity and ecosystems.

## DUTIES AND RESPONSIBILITIES

- The Project Assistant will assist Livelihood Specialist and Range Forest Officers in the preparation of a village-level micro-plan for villages assigned to him/her. The Project Assistant will be responsible for coordinating the implementation of the activities specified under the micro-plan for the assigned villages.
- The Project Assistant will have to ensure coordination between the various government departments, district and the village committees for the proper implementation of activities being undertaken under the scheme.
- Organize, coordinate and support other project consultants, in conducting different activities under the Scheme at the site such as meetings, trainings, workshops, stakeholder consultations, site visits and preparation of knowledge products.
- Provide continuous monthly and quarterly feedback and reports.
- Any other duties related to the project as assigned by the Mangrove Foundation.
- The candidate should be willing to work in any coastal district of Maharashtra.

## ELIGIBILITY

Diploma in Fisheries Science from a recognized university/institute with minimum 55% marks.
